Field Descriptions (F12) indicates code lookup is available.

**NOTE: Contracts can only be added, copied, modified, renewed or deleted by authorized contract staff in Central Office. All other workers will have inquiry access only to contracts on CONL.*

CONTRACT

This field will display the contract number for the contract displayed on the COND (Contract Detail) screen.

AMENDMENT

This field will display the contract amendment number (if one exists) for the contract displayed on the COND (Contract Detail) screen.

TYPE (F12)

This field will display the type of contract for the contract displayed on the COND (Contract Detail) screen.

PROV NO

This field will display the provider number of the provider who was entered on the CONL (Contract List) screen.

PROV NAME

This field will display the provider name of the provider whose ID is displayed in the PROV NO field.

SEL (only valid for Central Office staff)

Enter "A" if you want to add a service to the contract, "D" if you want to delete a service from the contract, "M" if you want to modify the service details on the contract or "S" if you want to select a service to access the CONB (Contract Budget) or CONF (Contract Funding) screens (*CONB and CONF are not currently used as there are no budget based contracts in CAPS.*)

SERVICE CODE (F12)

This field will display the service code that is associated to the contract.

DESCRIPTION

This field will display the description of the service code.

UNITS

This field is not currently used as there are no budget based contracts in CAPS.

UNIT COST

This field will display the cost per unit (day, hour, service, etc). The unit is the "unit type" listed for the service code on the SCMD (Service Code Maintenance Detail) screen.

AGE RANGE

This field will display the age range for the amount listed in the unit cost field. *For example, PFRS1 has different rates for age range 0-12 and age range 13-21.*

EXPANDED COST

This field is not currently used as there are no budget based contracts in CAPS.

CLIENT BASED

This field will display "Y" if the listed service code is client based or "N" if the listed service code is not client based. *Typically, this will display "Y".*

TOTAL COSTS

This field is not currently used as there are no budget based contracts in CAPS.

ADVANCE AMOUNT

This field is not currently used as there are no budget based contracts in CAPS.

STARTUP AMOUNT

This field is not currently used as there are no budget based contracts in CAPS.

Additional Information

None.
